

Hi all,

We have now put together a list of rambles, we hope to see as many of you as possible at as many of rambles is possible.details below.

As last year we will run rambles once a week throughout the summer.

We will have week A's and week B's.

Week A

Week A rambles will be scheduled in advance.

These will be organised on a Tuesday (seems to be suitable for most people).

Week B

Just before week B we will send out an e-mail asking -

- 1) Who would be interested in doing a ramble that week.
- 2) What day they are free.
- 3) Where they would like to go.

A consensus will be taken and a ramble organised accordingly.
